#### **About 2PM**

**2PM** (Hangul: 투피엠) is a South Korean idol group managed by JYP Entertainment; with members including Jun. K, Nichkhun, Taeyeon, Wooyoung, Junho and Chansung. While most Korean boy bands at the time adopted a "pretty boy" (Korean:[kkonminam](#)) image, 2PM constructed a tough and macho beast-like image when they made their debut. By emphasizing their masculine images, 2PM created the "jimseung-dol" (jimseung means an animal or beast in Korean) phenomenon in 2008.

Six years career in music and entertainment has developed 2PM into one of South Korean Mega Idol Group with lots of achievement. In August 31 2014, 2pm released teaser photos for their comeback GO CRAZY! and released their music video on September 10<sup>th</sup> via jyp's official YouTube account and has already garnered more than 5.5 million views!
